**Non-Staining & Non-Corrosive**  
**Bactericide, Fungicide & Virocide (against HIV)**  
**Controls Odour**  
**Health Canada Registered (DIN#02303841)**

**Cleans and kills  
over 99.99% of Germs**

The powerful formula of *Benefect*<sup>®</sup> Botanical Disinfectant is now available in a wipe format! Made from plant extracts, Disinfectant Wipes allows you to clean and kill over 99.99% of germs, specifically *Salmonella choleresuis*, *Staphylococcus aureus*, *Pseudomonas aeruginosa*, mould and fungal spores including *Trichophyton mentagrophytes* & HIV. *Benefect*<sup>®</sup> also effectively controls odors produced by these microorganisms on non-porous surfaces. Ideal for use around high risk clients such as children, pets, the elderly or those with chemical sensitivities.

**Cleans ♦ Decontaminates ♦ Disinfects ♦ Deodorizes ♦ Prevents Cross-Contamination**

*Benefect*<sup>®</sup> is made from botanically pure, biodegradable plant extracts. No ammonia, alcohol, bleach, synthetic fragrances, dyes or other synthetic or potentially hazardous chemicals. It is non-corrosive & non-staining on most metal, plastic, wood, vinyl or concrete surfaces. Wipes are biodegradable & compostable.
