

**Kills Germs Naturally, on Contact!**

## NATURAL HAND SANITIZER.....

**Safe & Non-Toxic Ingredients**  
**No Alcohol**  
**Naturally Effective**  
**Won't Dry Out Hands**

Benefect's active ingredient is our proprietary, fast-acting broad spectrum antimicrobial created from natural thyme.

Sanitize your hands on the go, with *Benefect* Natural Hand Sanitizer!

Ideal for everyday use at home, on the job site, or in the truck for a quick and easy clean up.

### **Skin Safe**

Benefect Natural Hand Sanitizer contains no alcohol so it keeps the skin's natural balance intact while killing germs.

You can use it all day long and it won't sting or irritate small cuts you may already have on your hands.

### **4 Times More Uses Per Ounce Than Alcohol Gels!**

Alcohol-based hand sanitizers disrupt the skin's moisture balance and dry out the skin by stripping away its natural oils. This is one of the reasons skin can become irritated, dry and cracked (which can actually leave you more susceptible to infection).

*It's About Thyme™*

Alcohol is also flammable and poisonous if ingested making it unsafe in schools and child care facilities. The ingredients in *Benefect* Natural Hand Sanitizer are all natural and non-toxic if ingested, making it safe enough for kids to use.

Spray Bottle - 4 oz / 120 ml

Wallmount Refill Cartridge - 1L / 33.8 fl oz = 2500 applications

Wallmount Dispenser - Manual Foam
