Benefect[®] MULTI PURPOSE CLEANER (MPC)

PRODUCT DESCRIPTION

Botanical General Purpose Cleaner for daily cleaning of high polish areas and all hard surfaces.

Product Number: 30475

HMIS RATING	
HEALTH	1
FLAMMABILITY	0
REACTIVITY	0

Benefect[®] Multi Purpose Cleaner (MPC) is made from 100% botanical, biodegradable ingredients. It is safe for children, pets, and food surfaces without compromising cleaning performance. MPC has been developed as an effective, concentrated solution for all general cleaning tasks. It replaces the need for multiple cleaning products and eliminates the use of hazardous products. The patented formulation of unique ingredients also makes this product suitable for the chemically-sensitive and those with asthma. No petrochemicals, phosphates, fragrances, dyes, EDTA, NTA or other unnecessary ingredients. No animal testing was performed.

Benefect[®] MPC requires no label warnings or precautionary statements for use or disposal. Personal Protective Equipment is not required, making Benefect[®] MPC the safest choice for home and business owners and your employees.

Ideal for many applications including glass, mirrors, brass, stainless steel appliances, vinyl seating in boats or vehicles, counters, walls, sinks, tubs, showers, all post-construction surfaces, mold remediation, carpet deodorizing and anywhere else that is not visibly clean. Used by industry leading professionals since 2000. Do the job right... the first time.

Benefect[®] MPC will not contribute to indoor air pollution and is suitable for nursing homes, hospitals, schools, universities, health clubs, boarding or breeding kennels, sports equipment, food preparation facilities, or any other residential commercial or medical application where high risk or chemically-sensitive individuals may be present.

Benefect[®] MPC is certified by Environment Canada to surpass the environmental standards of CCD-146 (formerly PRC-097)

PHYSICAL PROPERTIES

- **Packaged:** Gallon/4.0 Litre jug
- **Weight per Gallon:** 8.5 lbs
- **Appearance:** Light tan
- **Odor:** odorless
- **V.O.C.:** >0.05% meeting California EPA requirements for indoor air environments
- **pH:** 5.0
- **PPE:** When cleaning body fluids safety glasses and rubber gloves are recommended
- **Dilution rates:** ½ ounce -16 ounces (15-480ml) of MPC per gallon (3.78 Litres) of water

APPLICATIONS

High Polish Areas & Floors: Dilute MPC according to the label instructions. Mix ½ - 1 ounce (15-30ml) of MPC per gallon (3.78 Litres) of water. Apply product via spray, wipe or mop directly onto the surface to be cleaned. No rinsing required. Repeat the procedure if necessary.

Light Cleaning of Hard Surfaces: Dilute MPC according to the label instructions. Mix 2-4 ounces (60-120ml) of MPC per gallon (3.78 Liters) of water. Apply product via spray, wipe or mop directly onto the surface to be cleaned. Allow product to remain on surface for a minute or two, then wipe off with a clean cloth, sponge or paper towel. Repeat the procedure if necessary.

Heavy Duty Cleaning of Hard Surfaces: Dilute MPC according to the label instructions. Mix 12-16 ounces (360-480ml) of MPC per gallon (3.78 Liters) of water. Apply product via spray, wipe or mop directly onto the surface to be cleaned. Allow product to remain on surface for a minute or two then wipe off with a clean cloth, sponge or paper towel. Repeat the procedure if necessary. For greasy soils try our Atomic Degreaser.

Mold Remediation: Best used as a wipe application to remove surface molds. Should be used with proper remediation protocols as all molds should be removed from affected areas to ensure health and safety of building occupants.

EFFECTS OF ACUTE EXPOSURE: None known

Eye: No effect as per FIFRA CFR 10 Part 162.10

Skin: No effect as per FIFRA CFR 10 Part 162.10

Ingestion: No effect as per FIFRA CFR 10 Part 162.10

Inhalation: No effect as per FIFRA CFR 10 Part 162.10

STORAGE: Store airtight at room temperature.

WASTE DISPOSAL: No special handling or disposal instructions. Dispose of in accordance with federal, state, provincial and local government requirements. Recycle empty container.
